

Time and Talent Survey 2022

Your Name

“By God’s love and grace, we are Called, Committed and Led” is our church’s Mission Statement. As we work together, we glorify God and live out the teachings of Jesus. What passion, interest or gift do you have to share? How can Faith Church be a part of your personal mission? To help us make sure that you are active in the places where God is calling you, we invite you to fill out this survey.

The functions of our Church are divided into four Planning Teams: Administration, Congregational Care, Mission and Outreach and Spiritual Development. Each Planning Team meets regularly to review its area of responsibility.

If you would have an interest in serving on the Planning Team, please check the first box in that team’s section, “Planning Team”.

Whether or not you wish to serve on a Planning Team, please review the specific activities for any team and express your interest in those. The relevant Planning Team(s) will contact you.

You may return this “Time and Talent Survey” once you have completed it in the reply envelope along with your 2020 Pledge Card.

IMPORTANT—Please complete all areas of interest **even if you are presently serving in that area**. Knowing that you wish to continue in that area is very important information for the Session to have. If you need more information about what is involved in a particular activity, check “More Info Please”.
