After prayerful consideration I/we have decided to make a financial commitment and join the **“Growing in Faith Together”** 3-year capital campaign beginning October 1, 2020.

As God allows, my/our total future commitment will be \$ \_\_\_\_\_ according to the following plan:

- I/we will make an initial gift of \$ \_\_\_\_\_ prior to Dec. 31, 2020
- I/we will make commitments as follows:
  - January-December 2021                      \$ \_\_\_\_\_
  - January-December 2022                      \$ \_\_\_\_\_
  - January-December 2023                      \$ \_\_\_\_\_

I/we are excited about the future at Faith. We understand that this commitment is above our annual pledge to the church and is a statement of intent that may be modified as needed.
